Let me Introduce myself…

Dhanushka Sanjeewa

University of Nebraska-Lincoln

2024-11-01

Introduction

Hello,

- ▶ My name is **Dhanushka** and my friends call me *Dhanush*. I was born on 5th of June, in 1996. I am officially from **Sri Lanka**. I grew in a small town called Panadura.

- ▶ Well, Its a tropical island located in the South Indian Ocean. Its is even called the Perl of the Indian ocean. Frankly speaking, It is a paradise. You can experience all kinds of weather conditions there. (Give it a try if you want to explore)

- ▶ Currently I am reading for my **PhD in Statistics**, at UNL. I will probably be able to graduate in 5 years from now.

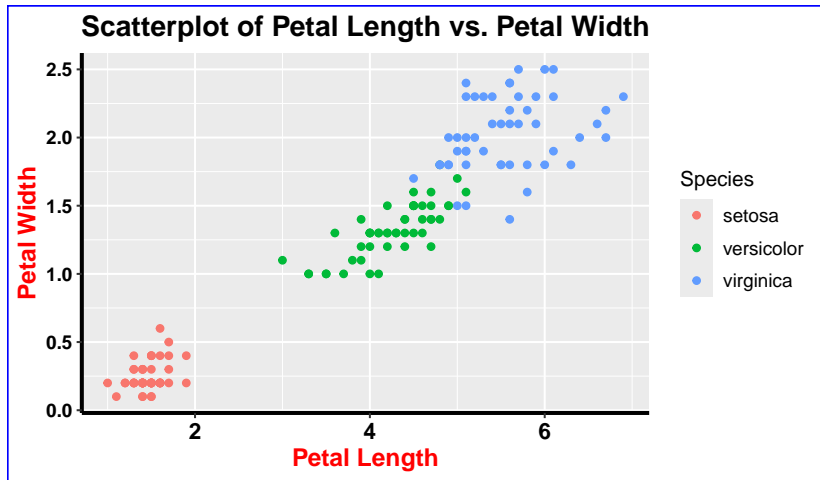

Figure 1: ME

My favourite Animal

Honestly, I love lions.

Generate a plot

Here we are using Iris dataset, and let's create a scatter-plot to identify the relationship between **Petal Length vs. Petal Width** for different **species**.

Scatterplot of Petal Length vs. Petal Width

Curriculum Vitae

Here is the link to my CV.
